	MAY	5
	JUNE	6

SUBJECTS

ABDOMEN

Rocky Mountain spotted fever in the differential diagnosis of the acute abdomen. 24(4):79, 1984 oa

temporary abdominal wound closure with a silastic "chimney." 24(3):17, 1984 oa

ADENOCARCINOMA

adenocarcinoma arising in a urechal cyst. 24(6):48, 1984 oa

ADRENALS

Cushing's syndrome due to an adrenocortical carcinoma resected en bloc with recurrence in regenerating liver. 24(2):55, 1984 oa

ANEURYSMS

aneurysm of anomalous right subclavian artery. 24(3):81, 1984 oa

bilateral axillary aneurysm: case report. 24(2):47, 1984 oa

celiac artery aneurysm diagnosed by dynamic computed tomography. 24(1):23, 1984 oa

ANASTOMOSIS

ileoanal anastomosis. 24(5):85, 1984 s

protection of the proximal aortic anastomosis: a modified approach. 24(6):37, 1984 oa

ANGIOPLASTY

percutaneous transluminal angioplasty. 24(1):89, 1984 oa

streptokinase and transluminal angioplasty in reclamation of AV fistula. 24(6):69, 1984 oa

AORTA

assessment of aortoiliac insufficiency. 24(3):39, 1984 oa

protection of the proximal aortic anastomosis: a modified approach. 24(6):69, 1984 oa

traumatic thoracic aortic rupture. 24(3):109, 1984 s

APPENDIX

management of the ruptured pediatric appendix: a place for the interval appendectomy. 24(6):23, 1984 oa

AXILLOFEMORAL BYPASS

effects of changes in body position on axillofemoral bypass. 24(5):65, 1984 oa

BILOMA

biloma: an unusual postcholecystectomy complication. 24(2):108, 1984 oa

BIOGRAPHICAL NOTES

Theodor Billroth. 24(4):102, 1984 oa

John Blair Deaver. 24(6):74, 1984 oa

Guy de Chauliac. 24(5):80, 1984 oa

Johann Freidrich August von Esmarch. 24(1):100, 1984 oa

Maurice Howe Richardson. 24(2):112, 1984 oa

Nicholas Senn 24(3):100, 1984 oa

BLADDER

management of acute cystitis in female adults. 24(3):47, 1984 oa

BOWEL SURGERY

ileoanal anastomosis. 24(5):85, 1984 s

BREAST, CANCER

multiple malignant neoplasms in patients with breast carcinoma. 24(2):11, 1984 oa

sarcoma of the breast. 24(5):27, 1984 oa

BREAST, FIBROCYSTIC DISEASE

fibrocystic breast disease: pathophysiology, hormonology, treatment. 24(4):49, 1984 oa

BRONCHIAL ARTERY

right bronchial artery hemorrhage complicating mediastinoscopy. 24(1):75, 1984 oa

BYPASS

effects of changes in body position on axillofemoral bypass. 24(5):65, 1984 oa

technique and results of in situ saphenous vein bypass - part 2. 24(1):31, 1984 oa

CANCER

adenocarcinoma arising in a urechal cyst. 24(6):48, 1984 oa

adenocarcinoma of the prostate. 24(2):115, 1984 s

Cushing's syndrome due to an adrenocortical carcinoma resected en bloc with recurrence in regenerating liver. 24(2):55, 1984 oa

dual synchronous primary lung cancer. 24(2):67, 1984 oa

gastrocolic fistula and colon cancer: current concepts. 24(2):73, 1984 oa

the many faces of neuroblastoma: a review of the multiple clinical manifestations, with emphasis on chronic diarrhea due to VIP secretion. 24(2):97, 1984 oa

multiple malignant neoplasms in patients with breast carcinoma. 24(2):11, 1984 oa

the role of radiation therapy in the treatment of unresectable, residual, or recurrent colorectal carcinoma. 24(3):25, 1984 oa

CARDIAC SURGERY

actinobacillus actinomycetem-

continued

comitans prosthetic valve endocarditis. 24(5):71, 1984 oa

protection of the heart during reoperation using a bovine pericardial shield: clinical experience. 24(4):35, 1984 oa

studies leading to an artificial heart for clinical application. 24(5):41, 1984 oa

transaxillary subpectoral pacemaker insertion. 24(6):57, 1984 oa

CAROTID

carotid body tumors. 24(6):15, 1984 oa

CELIAC ARTERY

celiac artery aneurysms diagnosed by dynamic computed tomography. 24(1):23, 1984 oa

COAGULATION

monitoring coagulation dynamics with thromboelastography. 24(2):19, 1984 oa

COLON

gastrocolic fistula and colon cancer: current concepts. 24(2):73, 1984 oa

ileoanal anastomosis 24(5):85, 1984 s

the role of radiation therapy in the treatment of unresectable, residual, or recurrent colorectal carcinoma. 24(3):25, 1984 oa

CUSHING'S SYNDROME

Cushing's syndrome due to an adrenocortical carcinoma resected en bloc with recurrence in regenerating liver. 24(2):55, 1984 oa

CYSTITIS

management of acute cystitis in female adults. 24(3):47, 1984 oa

CYSTS

adenocarcinoma arising in a urechal cyst. 24(6):48, 1984 oa

fibrocystic breast disease: pathophysiology, hormonology, treatment. 24(4):49, 1984 oa

thyroglossal duct cysts. 24(1):104, 1984 oa

DIARRHEA

the many faces of neuroblastoma: a review of the multiple clinical manifestations, with emphasis on chronic diarrhea due to VIP secretion. 24(2):97, 1984 oa

DIVERTICULA

chronic pneumoperitoneum secondary to acquired jejunal diverticula. 24(3):71, 1984 oa

Meckel's diverticulum. 24(3):89, 1984 oa

DUODENUM

arteriomesenteric duodenal compression syndrome. 24(2):29, 1984 oa

primary aortoduodenal fistula: case report. 24(1):51, 1984 oa

EDITORIALS

archeology of an aperture. 24(5):11, 1984 oa

call for continuum. 24(1):13, 1984 oa

a checkerboard for the living. 24(4):13, 1984 oa

February: to expiate or purify. 24(2):9, 1984 oa

from Buckingham to Broadway. 24(6):13, 1984 oa

Italian influence and irrepressibility. 24(3):15, 1984 oa

ENDOCARDITIS

actinobacillus actinomycetem-comitans prosthetic valve endocarditis. 24(5):71, 1984 oa

ENTERAL FEEDING

a comparison of elemental and nonelemental diets in postoperative enteral feeding. 24(1):65, 1984 oa

ESOPHAGUS

esophageal leiomyoma: diagnosis and treatment. 24(1):17, 1984 oa

FERTILITY

the varicocele and its effect upon fertility. 24(4):111, 1984 s

FISTULAS

gastrocolic fistula and colon cancer: current concepts. 24(2):73, 1984 oa

primary aortoduodenal fistula: case report. 24(1):51, 1984 oa

streptokinase and transluminal angioplasty in reclamation of AV fistula. 24(6):69, 1984 oa

GALLBLADDER

case report: isolated rupture of the gallbladder following blunt abdominal trauma. 24(3):66, 1984 oa

GRAFTS

efficacy of microsurgical knives vs. scissors in microvascular reconstructive surgery. 24(6):43, 1984 oa

the use of animal models in studying vascular graft infection. 24(6):61, 1984 oa

GRANULOMAS

a simple technique for the treatment of suture granulomas and sinuses. 24(3):105, 1984 oa

HEART, ARTIFICIAL

studies leading to an artificial heart for clinical application. 24(5):41, 1984 oa

HEMORRHAGE

right bronchial artery hemorrhage complicating mediastinoscopy. 24(1):75, 1984 oa

typhoid fever and massive intestinal hemorrhage. 24(3):61, 1984 oa

HERNIA

ambulatory hernia repair. 24(1):107, 1984 s

hernia of the semilunar line (Spigelian). 24(4):87, 1984 oa

HISTORY, MEDICINE — see BIOGRAPHICAL NOTES

HYPERTENSION

renovascular hypertension - pediatric surgery series. 24(3):97, 1984 oa

HYPocalcemia

hypocalcemia associated with acute pancreatitis. 24(3):54, 1984 oa

INFECTIONS

actinobacillus actinomycetem-comitans prosthetic valve endocarditis. 24(5):71, 1984 oa

antimicrobial synergism. 24(6):83, 1984 s

the use of animal models in studying vascular graft infection. 24(6):61, 1984 oa

INTESTINES

complications of intestinal stomas. 24(5):17, 1984 oa

ileoanal anastomosis. 24(5):85, 1984 s

Meckel's diverticulum. 24(3):89, 1984 oa

small intestine duplication - pediatric surgery series. 24(4):100, 1984 oa

typhoid fever and massive intestinal hemorrhage. 24(3):61, 1984 oa

JEJUNUM

chronic pneumoperitoneum secondary to acquired jejunal diverticula. 24(3):71, 1984 oa

LEIOMYOMA

esophageal leiomyoma: diagnosis and treatment. 24(1):17, 1984 oa

vascular leiomyoma. 24(4):93, 1984 oa

LIVER

Cushing's syndrome due to an

adrenocortical carcinoma resected en bloc with recurrence in regenerating liver. 24(2):55, 1984 oa

hepatoblastoma—pediatric surgery series. 24(5):77, 1984 oa

spontaneous hepatic rupture associated with pregnancy. 24(2):55, 1984 oa

LUNGS

dual synchronous primary lung cancer. 24(2):67, 1984 oa

preoperative pulmonary risks and their appropriate management 24(1):55, 1984 oa

MECKEL'S DIVERTICULUM

Meckel's diverticulum. 24(3):89, 1984 oa

MICROSURGERY

efficacy of microsurgical knives vs. scissors in microvascular reconstructive surgery. 24(6):43, 1984 oa

MEDIASTINOSCOPY

right bronchial artery hemorrhage complicating mediastinoscopy. 24(1):75, 1984 oa

MESENTERY

arteriomesenteric duodenal compression syndrome. 24(2):29, 1984 oa

NECK

benign cervical teratoma in an adult. 24(4):66, 1984 oa

NEUROBLASTOMA

the many faces of neuroblastoma: a review of the multiple clinical manifestations, with emphasis on chronic diarrhea due to VIP secretion. 24(2):97, 1984 oa

NUTRITION

a comparison of elemental and nonelemental diets in postoperative enteral feedings. 24(1):65, 1984 oa

PACEMAKER

transaxillary subpectoral pacemaker insertion. 24(6):57, 1984 oa

PAIN CONTROL

transcutaneous electrical stimulation for the control of postoperative pain. 24(1):43, 1984 oa

PANCREAS

clinical pancreas transplantation. 24(5):53, 1984 oa

hypocalcemia associated with acute pancreatitis. 24(3):54, 1984 oa

islet cell transplantation. 24(4):15, 1984 oa

PARATHYROID

surgical management of primary hyperparathyroidism during the third trimester. 24(4):105, 1984 oa

PEDIATRIC SURGERY

hepatoblastoma. 24(5):77, 1984 oa

management of the ruptured pediatric appendix: a place for the interval appendectomy. 24(6):23, 1984 oa

renovascular hypertension. 24(3):97, 1984 oa

small intestine duplication. 24(4):100, 1984 oa

thyroglossal duct cyst. 24(1):104, 1984 oa

PERICARDIAL SHIELD

protection of the heart during reoperation using a bovine pericardial shield: clinical experience. 24(4):35, 1984 oa

PNEUMOPERITONEUM

chronic pneumoperitoneum secondary to acquired jejunal diverticula. 24(3):71, 1984 oa

POSTOPERATIVE CARE

ambulatory hernia repair. 24(1):107, 1984 s

a comparison of elemental and nonelemental diets in postoperative enteral feeding. 24(1):65, 1984 oa

transcutaneous electrical stimulation for the control of postoperative pain. 24(1):43, 1984 oa

PREGNANCY

spontaneous hepatic rupture associated with pregnancy. 24(2):39, 1984 oa

surgical management of primary hyperparathyroidism during the third trimester. 24(4):105, 1984 oa

PREOPERATIVE CARE

preoperative pulmonary risks and their appropriate management. 24(1):55, 1984 oa

PROSTATE

adenocarcinoma of the prostate. 24(2):115, 1984 s

PULMONARY PROBLEMS

preoperative pulmonary risks and their appropriate management. 24(1):55, 1984 oa

RADIATION THERAPY

the role of radiation therapy in the treatment of unresectable, residual or recurrent colorectal carcinoma. 24(3):25, 1984 oa

RECTUM

the role of radiation therapy in the treatment of unresectable, residual, or recurrent colorectal carcinoma. 24(3):25, 1984 oa

RENOVASCULAR HYPERTENSION

renovascular hypertension - pediatric surgery series. 24(3):97, 1984 oa

RESIDENT'S CORNER

actinobacillus actinomycetem-comitans prosthetic valve endocarditis. 24(5):71, 1984 oa

aneurysm of anomalous right subclavian artery. 24(3):81, 1984 oa

bilateral axillary aneurysm: case report. 24(2):47, 1984 oa

celiac artery aneurysm diagnosed by dynamic computed tomography. 24(1):23, 1984 oa

chronic pneumoperitoneum secondary to acquired jejunal diverticula. 24(3):71, 1984 oa

dual synchronous primary lung cancer. 24(2):67, 1984 oa

esophageal leiomyoma: diagnosis and treatment. 24(1):17, 1984 oa

gastrocolic fistula and colon cancer: current concepts. 24(2):73, 1984 oa

hernia of the semilunar line (Spigelian). 24(4):87, 1984 oa

Meckel's diverticulum. 24(3):89, 1984 oa

Rocky Mountain spotted fever in the differential diagnosis of the acute abdomen. 24(4):79, 1984 oa

spontaneous hepatic rupture associated with pregnancy. 24(2):39, 1984 oa

streptokinase and transluminal angioplasty in reclamation of AV fistula. 24(6):69, 1984 oa

use of animal models in studying vascular graft infection. 24(6):61, 1984 oa

vascular leiomyoma. 24(4):93, 1984 oa

ROCKY MOUNTAIN SPOTTED FEVER

Rocky Mountain spotted fever in the differential diagnosis of the acute abdomen. 24(4):79, 1984 oa

RUPTURE

case report: isolated rupture of the gallbladder following blunt abdominal trauma. 24(3):66, 1984 oa

spontaneous hepatic rupture associated with pregnancy. 24(2):39, 1984 oa

traumatic thoracic aortic rupture. 24(3):109, 1984 s

continued

SAPHENOUS VEIN

technique and results of in situ saphenous vein bypass - part 2. 24(1):31, 1984 oa

SARCOMA

sarcoma of the breast. 24(5):27, 1984 oa

SILASTIC CHIMNEY

temporary abdominal wound closure with a silastic "chimney." 24(3):17, 1984 oa

SINUS

a simple technique for the treatment of suture granulomas and sinuses. 24(3):105, 1984 oa

STOMACH

gastrocolic fistula and colon cancer. 24(2):73, 1984 oa

STOMAS

complications of intestinal stomas. 24(5):17, 1984 oa

SUTURE

a simple technique for the treatment of suture granulomas and sinuses. 24(3):105, 1984 oa

temporary abdominal wound closure with a silastic "chimney." 24(3):17, 1984 oa

SYNERGISM

antimicrobial synergism. 24(6):83, 1984 s

TERATOMA

benign cervical teratoma in an adult. 24(4):66, 1984 oa

THORACIC OUTLET

transcutaneous electrical stimulation for the control of post-operative pain. 24(1):43, 1984 oa

THROMBOELASTOGRAPHY

monitoring coagulation dynamics with thromboelastography. 24(2):19, 1984 oa

THYROGLOSSAL DUCT

thyroglossal duct cysts. 24(1):104, 1984 oa

TRANSCUTANEOUS TREATMENT

percutaneous transluminal angioplasty. 24(1):89, 1984 oa

transcutaneous electrical stimulation for the control of post-operative pain. 24(1):43, 1984 oa

TRANSPLANTATION

clinical pancreas transplantation. 24(5):53, 1984 oa

islet cell transplantation. 24(4):15, 1984 oa

TYPHOID FEVER

typhoid fever and massive intestinal hemorrhage. 24(3):61, 1984 oa

TRAUMA

biloma: an unusual postcholecystectomy complication. 24(2):108, 1984 oa

case report: isolated rupture of the gallbladder following blunt abdominal trauma. 24(3):66, 1984 oa

temporary abdominal wound closure with a silastic "chimney." 24(3):17, 1984 oa

traumatic thoracic aortic rupture. 24(3):109, 1984 s

TUMORS

adenocarcinoma of the prostate. 24(2):115, 1984 s

carotid body tumors. 24(6):15, 1984 oa

Cushing's syndrome due to an adrenocortical carcinoma resected en bloc with recurrence in regenerating liver. 24(2):55, 1984 oa

esophageal leiomyoma: diagnosis and treatment. 24(1):17, 1984 oa

the many faces of neuroblastoma: a review of the multiple clinical manifestations, with emphasis on chronic diarrhea due to VIP secretion. 24(2):97, 1984 oa

multiple malignant neoplasms in patients with breast carcinoma. 24(2):11, 1984 oa

sarcoma of the breast. 24(5):27, 1984 oa

vascular leiomyoma. 24(4):93, 1984 oa

URECHAL CYST

adenocarcinoma arising in a urechal cyst. 24(6):48, 1984 oa

VARICOCELE

the varicocele and its effect upon fertility. 24(4):111, 1984 s

VASCULAR PROBLEMS

aneurysm of anomalous right subclavian artery. 24(3):81, 1984 oa

arteriomesenteric duodenal compression syndrome. 24(2):29, 1984 oa

assessment of aortoiliac insufficiency. 24(3):39, 1984 oa

carotid body tumors. 24(6):15, 1984 oa

celiac artery aneurysm diagnosed by dynamic computed tomography. 24(1):23, 1984 oa

effects of changes in body position on axillofemoral bypass. 24(5):65, 1984 oa

primary aortoduodenal fistula: case report. 24(1):51, 1984 oa

right bronchial artery hemorrhage complicating mediastinoscopy. 24(1):75, 1984 oa

the use of animal models in vascular graft infection. 24(6):61, 1984 oa

vascular leiomyoma. 24(4):93, 1984 oa

VASCULAR SURGERY

efficacy of microsurgical knives vs. scissors in microvascular reconstructive surgery. 24(6):43, 1984 oa

percutaneous transluminal angioplasty. 24(1):89, 1984 oa

protection of the proximal aortic anastomosis: a modified approach. 24(6):37, 1984 oa

streptokinase and transluminal angioplasty in reclamation of AV fistula. 24(6):69, 1984 oa

technique and results of in situ saphenous vein bypass - part 2. 24(1):31, 1984 oa

VIP SECRETION

the many faces of neuroblastoma: a review of the multiple clinical manifestations, with emphasis on chronic diarrhea due to VIP secretion. 24(2):97, 1984 oa

WOMEN

management of acute cystitis in female adults. 24(3):47, 1984 oa

AUTHORS

Abcarian H

complications of intestinal stomas. 24(5):17, 1984 oa

Alberti-Flor JJ

biloma: an unusual postcholecystectomy complication. 24(2):108, 1984 oa

Archer MA

hernia of the semilunar line (Spigelian). 24(4):87, 1984 oa
